COMMUNICATION PRODUCTS FOR THE
RESTAURANT, HOSPITALITY AND RETAIL INDUSTRIES

Seamless communication experience.

Are execution and rapid response important to your business? **Motorola Business Two-Way Radios** give you a competitive edge. Designed specifically for today's fast-paced industries, Motorola Two-Way Radios provide smart, simple and reliable communication at the push of a button. Featuring the highest audio quality, these durable radios will enhance teamwork and increase customer satisfaction.

Motorola CLS 1450c Combination Two-Way Radio and Cordless Telephone

The new Motorola CLS 1450c combines a powerful 4 channel two-way radio with a 2.4GHz digital cordless telephone. Communicate with other two-way radios as well as receive or make telephone calls. Radio features are identical to the CLS 1410c two-way radio and operate even when the telephone is out of range of the base. A single base station supports up to four telephone handsets.

Part # CLS1450
Purchase: \$349.00

Complete systems available and include radios, headsets, batteries, holsters, battery chargers and power supplies.
